~~Honorable Justice~~
IN CLERKS OFFICE

4-10-05

My Name is ~~Jesus~~ ^{2005 APR 14 P 1:59} Jesusce Gonzalez
Rodriguez and I am in your
Courtroom on ⁴⁻⁸⁻⁰⁵ DISTRICT COURT
DISTRICT OF MASS and My reason
for Writing You is to thank you for
treating me as a human being and
a person of value.

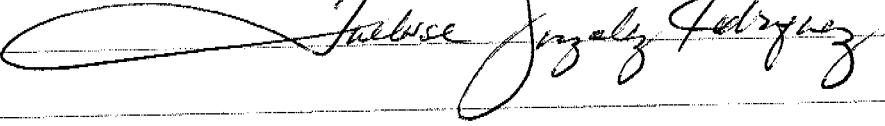

I was having alot of trouble with
my case and attorney and by you
solving the problem, you showed me
that there is justice and recognition.

I would like you honor when you
hear my case that you take into
consideration that I am merely a human
being and that I made a mistake and
I am asking you to please consider my
situation, I have 3 daughters that need
my love and support and I have a mother
whose health is not so quite healthy.

Further, I am asking for forgiveness and
am entitled to do because it is that
you want of me because I do know and
accept that I was wrong.

On the day that you ~~arrested~~ ^{Arre} you
honor, I am requesting that you not
look at me but focus on my 3 children.
I also took into consideration about
what you said to me about changing my

lawyer, I didn't change my lawyer
because I don't want my case to be
prolonged more than it has already.
I need to be with my family.
Once Again I Want to Thank You
for the respect and treatment that
you gave me.

Respectfully Yours

Fabrizio J. Rodriguez
